STANDARDS COMMITTEE VOLUNTEER FORM

Name _____

Company _____

Business Mailing Address _____

City/State/Zip _____

Work Phone _____ Fax _____ Email _____

Are you currently involved in any ANS Standards? Yes No

If so, which one(s)? _____

I am interested in participation as a full member.

I am interested in participation as an associate member as I am new to the industry and looking to learn about the standards development process.

State your current interest in ANS Standards involvement. (**Please note alpha/numeric designations of standards of interest**):

We often are in need of individuals to chair a working group to initiate a new standards project or revise a current standard. Would you consider accepting a chair position?

Yes, I would consider a chair position. No, I am not able to accept a chair position at this time.

How did you hear about the American Nuclear Society Standards Committee?

Education _____

Work Experience (summary) _____

What is your field of interest and experience that qualifies you for your desired ANS Standards assignment?

List any states in which you are licensed to practice as a Professional Engineer

Professional Affiliations _____

Previous or current standards involvement (other than with ANS) _____

In submitting this request, it is with the understanding that the American Nuclear Society does not provide support for travel expenses of Standards Committee chairs and members. There are rare exceptions when a grant has been issued for the development of a specific standard and reimbursement for related travel may be available. If in doubt, please check with the ANS Standards Administrator at standards@ans.org.

Signature Date

Print/Type Name _____

Do you have approval from your management to volunteer for this assignment?

Yes No

If no, please indicate how you intend to effectively participate _____

List the person within your management, including their contact information, to be contacted concerning your participation in the ANS Standards Committee
