

Nuclear Engineering Department Heads Organization provides resources on Japan nuclear developments

[Clemson University](#)

Dr. Timothy DeVol and Dr. David Zumbrunnen, interviews with WHNS television, Greenville, SC

[Excelsior College School of Business and Technology](#)

Dr. Jane LeClair

Interview on March 16 with WXXA television, Albany, NY

Interview on March 16 with WAMC radio, Albany, NY

Interview on March 16 with WTEN television, Albany, NY

[Georgia Institute of Technology Nuclear and Radiological Engineering Program](#)

Dr. Nolan Hertel

[Interview](#) on March 15 with The Weather Channel national television

[Quoted](#) on March 17 CNN internet news blog

[Interview](#) on March 26 CNN national television

[Interview](#) on March 25 CNN national television

[Interview](#) on April 1 CNN national television

[Interview](#) on April 2 CNN national television

Dr. Farzad Rehnema

[Interview](#) on March 13 with The Weather Channel national television

[Interview](#) on March 11 with Atlanta Journal-Constitution newspaper, Atlanta, GA

[Interview](#) on March 14 with WGCL television, Atlanta, GA

[Interview](#) on March 13 with WXIA television, Atlanta, GA

[Interview](#) on March 17 with NPR national radio

[Interview](#) on March 18 with Fox Business News national television

[Interview](#) on March 18 with Associated Press national television

Dr. Glenn Sjoden

[Interview](#) on March 15 with CNN national television

[Interview](#) on March 15 with Christian Science Monitor national newspaper

[Interview](#) on March 15 with CNN national television

[Interview](#) on March 16 with CNN international website

[Interview](#) on March 13 with ABC News national television

[Massachusetts Institute of Technology Department of Nuclear Science and Engineering](#)

Held public [Symposium on Fukushima](#) on March 14

Co-sponsored [public forum](#) on Fukushima on March 16

[Nuclear Information Hub](#) technical information blog maintained by Nuclear Science and Engineering graduate students with faculty support

Over 100 interviews with television, radio, websites, newspapers, journals, and magazines

[North Carolina State University Department of Nuclear Engineering](#)

Held public [Symposium on Fukushima](#) on March 23

Dr. Man-Sung Yim

Interview with Herald Sun newspaper, Durham, NC

Interview with ABC 11 television, Raleigh, NC

Dr. Ayman Hawari

[Interview](#) with WRAL television, Raleigh, NC

Interview with NCSU student paper (The Technician)

Dr. Mike Doster

Interview with Charlotte Observer newspaper, Charlotte, NC

Interview with student journalist at UNC Chapel Hill newspaper, Chapel Hill, NC

Dr. John Gilligan

Statement appeared March 12 on WRAL television, Raleigh, NC

Quotes appeared March 15 in USA Today national newspaper

Dr. Paul Turinsky

Interview with WTVD television, Raleigh, NC

[Interview](#) with WRAL television, Raleigh, NC

Two interviews with UNC-CH television, Chapel Hill, NC

Interview with isource.com online

Interview with Daily Beast online

Interview with Daily Tar Heel newspaper, Chapel Hill, NC

Interview with Philadelphia Inquirer newspaper, Philadelphia, PA

Interview with 24/7 Wall St. online

Interview with WZTK radio, Burlington, NC

Two interviews with WPTF radio, Raleigh, NC

[The Ohio State University Department of Mechanical and Aerospace Engineering](#)

Professor Richard Denning

[Quoted](#) on March 29 in Boston Globe newspaper, Boston, MA

[Interview](#) on March 14 with All Things Considered, National Public Radio

[Interview](#) with WOSU radio, Columbus, OH

[Oregon State University Department of Nuclear Engineering and Radiation Health Physics](#)

Drs. Kathryn Higley, Dr. Brian Woods, Dr. Steve Reese, Dr. Jose Reyes numerous interviews with radio, television, and newspaper media

[Penn State Department of Mechanical and Nuclear Engineering](#)

Dr. Arthur Motta

Interviews on March 17 and March 24 with WPSU television, University Park, PA

Prepared [summary](#) of Fukushima incident and subsequent developments on Department website

Presentation to Penn State community on March 15
[Interview](#) with WPSU radio, University Park, PA
Interviews with many radio stations
Interviews with national newspapers and background to ABC news
Interviews with university newspaper and university web radio
[Interview](#) with Brazilian television network
[Interview](#) on March 11 with MSNBC television

[Purdue University School of Nuclear Engineering Website](#) lists numerous interviews with radio, television, newspapers

[University of California, Merced, School of Engineering](#)
Dr. Edbertho Leal-Quiros
Interviews with Fresno area radio stations
Interview with KFSN television, Fresno, CA
Interview with KUVN television, Dallas, TX
Two interviews with KFTV television, Fresno, CA
[Interview](#) on March 29 with HTIN national television

[University of Idaho Department of Nuclear Engineering](#)
Dr. Akira Tokuhiro
Interview on March 17 with New York Times newspaper
Interview on March 17 with KXLY television, Spokane, WA

[University of Illinois at Urbana-Champaign Department of Nuclear, Plasma, and Radiological Engineering](#)
Held public [Symposium on Fukushima](#) on March 15
Dr. Clifford E. Singer
[Interview](#) on March 31 with Chicago Tribune newspaper, Chicago, IL

Dr. James F. Stubbins
Numerous interviews with local and national television, local and national newspapers, local radio, national magazines and journals, and internet media

Dr. Rizwan Uddin
[Interview](#) on March 17 with Chicago Tribune newspaper, Chicago, IL
[Interview](#) on March 15 with Los Angeles Times newspaper, Los Angeles, CA

[University of Michigan Department of Nuclear Engineering and Radiological Sciences](#)
Website lists numerous additional media appearances by UM faculty
Held public Forum on the Japanese Nuclear Situation on March 18
Drs. John Lee, William Martin, Gary Was [video interviews](#) with UM News Service March 14

Dr. Thomas Downar
[Video interview](#) with UM News Service March 16

Dr. Michael Hartman
[Video interview](#) with UM News Service March 17

Dr. Kimberlee Kearfott
Interview with ABC radio March 15
[Video interview](#) with UM News Service March 15
[Video interview](#) with UM News Service March 17
Quoted in Washington Post newspaper, Washington, DC on March 18

Dr. John Lee
Live chat with public at Detroit Free Press on March 16
[Video interview](#) with UM News Service March 18

Dr. William Martin
Interview with ABC radio March 14
[Interview](#) with WXYZ television, Detroit, MI on March 15
Cited in Washington Post newspaper, Washington, DC March 20

Dr. Gary Was
CNN International's in-house expert on the nuclear crisis in Japan several days
Interview on NBC Today Show on March 21

[University of Missouri Nuclear Science and Engineering Institute](#)
Website lists numerous interviews with television, radio, and newspapers by UM faculty
Public Symposium on Fukushima March 22

[University of Pittsburgh Swanson School of Engineering](#)
Public Symposium on Fukushima March 16
Dr. John D. Metzger
[Interview](#) with KDKA television, Pittsburgh, PA
Interview with KDKA radio, Pittsburgh, PA
Interview with KQV radio, Pittsburgh, PA
Interviews with Pittsburgh Tribune Review newspaper
[Interview](#) with Allegheny Front NPR radio, Pittsburgh, PA
[Opinion Editorial](#) on March 24 in Pittsburgh Post-Gazette newspaper

[University of Rhode Island Department of Mechanical, Industrial, and Systems Engineering](#)
Dr. Bahram Nassersharif
Numerous radio, television, and newspaper interviews

\

[University of Tennessee Knoxville College of Engineering](#)

Dr. Lawrence Townsend

Interviews with media

[University of Texas of the Permian Basin Department of Mechanical Engineering](#)

Held public Symposium on Fukushima on March 25

Dr. James Wright

Published articles in Odessa American and Midland Reporter Telegram newspapers, TX

Interview on March 25 with KCRS radio, Midland, TX

[University of Wisconsin Department of Engineering Physics](#)

Dr. Michael Corradini

Interview in Journal Sentinel newspaper, Milwaukee, Wisconsin March 14

Interview with PBS NewsHour March 14

Quoted on Wisconsin radio network March 14

Quoted in Chanel3000.com online news march 14

Interview with Discovery News March 16

Numerous additional media interviews

To report a Nuclear Engineering Department Heads Organization activity not listed here, please email [Chuck Vincent](#) at American Nuclear Society.
